**Re: The scores of citizens brutally tortured to death as a result of
your 2003-2016 directed "*TortureGate Corruption Murder Scandal*"**

Dear Chief Justice Roberts:

Your corruption tragically effected the murders of scores of innocent citizens, so how can you officiate over anything having to do with any law, when you are a lawless murderer yourself?

How are you any different of a killer than the inmates you routinely execute for being killers too?

Does the law require you to be prosecuted and executed? Why are you above the law and they are not?

You are a disgrace to our great nation, and I demand you immediately resign. And issue apology letters to the families of all the innocent citizens you so callously effected their brutal murders, and then assured the dismissal of their family's lawsuits, permanently denying any form of justice in any law.

I AM,

David Andrew Bardes, *Sui Juris*
